**SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT**

Mail Stop Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Applicant calls attention to the art references within the knowledge of applicant and its attorney which are listed on the attached PTO Form 1449. No representation is intended that a complete search has been made or that no better art references are available. The filing of this statement shall not be construed to be an admission that the information cited in the statement is, or is considered to be, material to the patentability as defined in 37 CFR 1.56(b). Copies of the patents or publications cited are enclosed.

**REMARKS**

Copies of cited U.S. Patents and U.S. Patent application publications are being provided as the application was filed before the June 30, 2003 and, thus, does not fall under the waiver of the requirements under 37 C.F.R. 1.98(a)(2)(i) as announced in the August 5, 2003 *Official Gazette*.

None of the art cited on the attached PTO Form 1449 is believed to disclose or suggest the invention recited in the claims of the above-identified application. It is therefore believed that the claimed invention is patentably distinguishable over these references.

A response is due for the June 9, 2004 Official Action and will be filed in due course.

Please charge any fees that might be due in connection with this Supplemental Information Disclosure Statement to Bose McKinney & Evans LLP's Deposit Account No. 02-3223. An extra copy of this Supplemental Information Disclosure Statement is enclosed for that purpose.

Respectfully submitted,

BOSE McKINNEY & EVANS LLP
